Available Services

Various 24-Hour Emergency Assistance Services are provided under the CSA Travel Protection packages. A description of all 24-Hour Emergency Assistance Services offered is contained in this document. The 24-Hour Emergency Assistance Services are only available to persons whose primary residence is in the United States or Canada. This plan is administered by CSA Insurance Services.

How to Call the 24-Hour Emergency Hotline

If you need emergency help for an available service, you can call toll-free 24 hours a day to (866) 816-2068 from within the United States, or call collect to (603) 328-1737 from anywhere else.

You should have available your Certificate number, your location, a local telephone number, and details of the situation. The assistance provider will confirm your enrollment and assist you. If you cannot call collect from your location, dial direct and give the assistance coordinator your telephone number and location and they will call you back.

To call collect from a foreign country, you may first need to reach a live operator on the line. In some cases, that operator may not understand how to process collect calls to the United States. To be prepared, please visit www.consumer.att.com/global/english/away/directservice.html for information on how to reach an English-speaking operator. If you were unable to reach CSA collect and paid for your call, we will ask you for a number to phone you back at so you will pay no further charges.

Seek local help if your emergency is immediate and life-threatening, and contact the assistance provider by calling the hotline as soon as reasonably possible.

Help services have been included in this program to provide, whenever possible, on-the-spot and immediate assistance for those unexpected problems that can arise during your trip.

There may be times when circumstances beyond the assistance provider's control hinder their endeavors to provide help services; they will, however, make all reasonable efforts to provide services and help resolve your problem.

The assistance provider's staff will do their best to refer you to appropriate providers. However, the assistance provider and CSA cannot be held responsible for the quality or results of any services provided by these independent practitioners.

Availability of Services

The 24-Hour Emergency Assistance Services become available when you actually start your trip. Services end the earliest of: midnight on the day the program expires; when you reach your return destination; or when you complete your trip.

Nurse Help Line

The assistance provider shall provide you with clinical assessment, education and general health information. This service shall be performed by Registered Nurses - available 24 hours a day, seven days a week - to assist in identifying the appropriate level and source(s) of care for you (based on symptoms reported and/or healthcare questions asked). Nurses shall not diagnose your ailments.

Medical Referral

If an emergency occurs during a trip that requires you to seek urgent medical advice, you should call the 24-Hour Emergency Hotline to obtain the names of local qualified doctors who speak your language. If additional medical services are required, the assistance provider is prepared to consult with the attending physician and provide such assistance, as they believe to be in your best interest.

If your cash or traveler's checks are lost or stolen, or unanticipated emergency expenses are incurred, the assistance provider will, whenever possible, help arrange for an emergency cash transfer in currency, traveler's checks, or other form acceptable to the assistance provider. These funds must come from your major credit card(s) or from family and/or friends.

The prescription will be refilled by a licensed pharmacist or other authorized personnel in the country in which you are traveling. It will be replaced with the same brand of medication prescribed in the U.S., or the equivalent in the country in which you are traveling. The refill may require a visit to a local physician. Concealment or Fraud We do not provide coverage if you have intentionally concealed or misrepresented any material fact or circumstance relating to the plan.

Conformity to Law Any provision of the plan that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

Duplication of Coverage You may only purchase one certificate from us for each Covered Trip. If you do purchase more than one certificate for a specific Covered Trip, the Maximum Limit of Coverage payable will be as specified in the certificate with the highest level of benefits. We will refund premium received from you under any other certificate.

Entire Contract; Changes The plan may be changed at any time by written agreement between us. Only our President, Vice President or Secretary may change or waive the provisions of the plan. No agent or other person may change the plan or waive any of its terms. The change will be endorsed on the plan.

Examination Under Oath As often as we may reasonably require, you or any person making a claim under the plan must submit to examination under oath.

Maximum Limit of Coverage The maximum benefit amount for each claim is listed in the Schedule, subject to the individual benefit amount and the company's Maximum Limit of Liability. The total limit of our liability for any one covered event, in which two or more persons submit a claim, is subject to the individual benefit amount and the company's Maximum Limit of Liability. In the event of multiple claims by you for one event, the available funds will be distributed in order of notice of claim by each Insured subject to the above limitations.

Our Right to Recover From Others We have the right to recover any payments we have made from anyone who may be responsible for the loss. You and anyone else we insure must sign any papers and do whatever is necessary to transfer this right to us. You and anyone else we insure will do nothing after the loss to affect our right.

CLAIMS PROVISIONS

Notice of Claim We must be given written notice of claim within 90 days after a covered loss occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. Notice may be given to us or to our authorized agent. Notice should include the claimant's name and enough information to identify him or her.

Proof of Loss Written Proof of Loss must be sent to us within 90 days after the date the loss occurs. We will not reduce or deny a claim if it was not reasonably possible to give us written Proof of Loss within the time allowed. In any event, you must give us written Proof of Loss within twelve (12) months after the date the loss occurs unless you are legally incapacitated.

Physical Examination and Autopsy At our expense, we have the right to have you examined as often as necessary while a claim is pending. At our expense, we may require an autopsy unless the law or your religion forbids it.

Legal Actions No legal action may be brought to recover on the plan within 60 days after written Proof of Loss has been given. No such action will be brought after three years from the time written Proof of Loss is required to be given. If a time limit of the plan is less than allowed by the laws of the state where you live, the limit is extended to meet the minimum time allowed by such law.

Payment of Claims Benefits for loss of life will be paid to your estate, or if no estate, to your beneficiary. All other benefits are paid directly to you, unless otherwise directed. Any accrued benefits unpaid at your death will be paid to your estate, or if no estate, to your beneficiary. If you have assigned your benefits, we will honor the assignment if a signed copy has been filed with us. We are not responsible for the validity of any assignment.
